

Library - Parent/Guardian Limited Access Notice

Dear Parent/Guardian,

You have chosen Parent/Guardian Limited Access for _____. To clarify, this means you chose to create a list of titles you would like to opt your child out of or provide a list of titles that your child is limited to. This list cannot be subjects or topics and must be specific book titles.

To help you create this list, you can go to laramie1.org – Library Access Hub – Full Library Catalog where you can filter for your child’s school and get a list of titles at the school.

If you would like to change your child’s library access option, you may go to laramie1.org – Library Access Hub – Exhibit 85a Library Media Check Out Request and complete the form.

If we do not receive a list or notice that you have changed your child’s library access option, we will have to place them on No Access to ensure they are not accessing anything that you do not want.

For questions, please contact the ELA Department.
